ARTICLE FOUR

GRIEVANCE PROCEDURE

A. Purpose.

1. The Purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may arise affecting the terms and conditions of employment. The parties agree that this procedure will be kept as informal as may be appropriate.
2. Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the Administration, and having the grievance adjusted without the intervention of the Union.

B. Definitions.

The term "grievance" shall mean an allegation that there has been:

1. A misinterpretation or misapplication of the terms of this Agreement which is subject to the grievance procedure outlined herein and shall hereinafter be referred to as a "contractual grievance"; or
2. Inequitable, improper, unjust application or misinterpretation of rules or regulations, existing policy, or orders applicable to the Board, which shall be processed up to and including the Board, and shall hereinafter be referred to as a "non-contractual grievance".

The Term "grievance" shall not include any disciplinary matters. All disciplinary matters will be handled under the present procedures of the New Jersey Department of Personnel and in accordance with the rules and regulations of the New Jersey Department of Personnel and will not be processed under the grievance procedure herein.

Depending on the magnitude of the offense, the discipline issued by the Board shall be either a verbal warning, written reprimand, demotion, suspension or discharge from employment.

C. Presentation of a Grievance.

The Board agrees that in the presentation of a grievance there shall be no loss of pay for the time spent in presenting the grievance by the grievant and one union representative who is an employee of the Board throughout the grievance procedure.

D. Steps of the Grievance Procedure.

The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement.

Step 1

1. The grievant shall institute action under the provisions hereof in writing, signed and delivered to his or her Supervisor within ten (10) working days of the occurrence complained of, or within ten (10) working days after he

would reasonably be expected to know of its occurrence. Failure to act within said ten (10) days shall be deemed to constitute an abandonment of the grievance. The grievant, upon request, has the right to be represented by an employee who is a Local Union Officer.

2. The Supervisor shall render a decision in writing within five (5) working days after receipt of the grievance.

Step 2

1. In the event satisfactory settlement has not been reached, the grievant shall, in writing and signed, file his complaint with the Director of Social Services within five (5) working days following the determination at Step 1. The grievant, upon request, has the right to be represented by an employee who is a Local Union Officer.
2. The Director of Social Services, or his designee, shall render his decision within ten (10) working days after the receipt of the Complaint.

Step 3

1. Should the grievant disagree with the decision of the Director, or his designee, the aggrieved may, within five (5) working days, submit to the Board a statement in writing and signed as to the issues in dispute. In the event the grievant files his statement with the Board at least ten (10) working days prior to a Board meeting, the matter shall be placed on the

agenda for that Board meeting. Statements filed less than ten (10) working days before a Board meeting may be heard by the Board at the meeting or at the Board's discretion placed on the agenda for the following meeting. The Board shall review the decision of the Director together with the disputed areas submitted by the grievant. The grievant and/or the Union representative may request an appearance before the Board. The Board will render its decision within eight (8) working days after the Board meeting at which the matter has been reviewed. If the Board's decision involves a non-contractual grievance, the decision of the Board shall be final.

2. The grievant, upon request, has the right to be represented by the Local Union Officer or the International Union Representative, or both. A minority organization shall not present or process grievances.

Step 4

1. Any unresolved contract grievance as defined in "B 1 Definitions" above may be appealed to arbitration.
2. Where the grievance involves an alleged violation of individual employment rights specified in the New Jersey Department of Personnel Law and/or Rules or Regulations for which a specific appeal to the New Jersey Department of Personnel is available or where the dispute involves the discipline of an employee the individual shall present his Complaint to the

New Jersey Department of Personnel directly in accordance with its rules.

The employee shall pursue the New Jersey Department of Personnel remedy and shall have no rights to grieve any disciplinary action under the grievance procedure provided herein.

3. An Arbitrator shall be selected pursuant to the rules of the Public Employees Relations Commission. The arbitrator shall be bound by the parameters of the grievance definition stated above in this Agreement.
4. The parties shall meet at least ten (10) working days prior to the date of the arbitration hearing to frame the issues to be submitted to the arbitrator and to stipulate the facts of the matter in an effort to expedite the hearing.
5. The decision or award of the arbitrator shall be final and binding on the Board, the Union, and the grievant or grievants to the extent permitted by ^{law} and in accordance with applicable law and this agreement.
6. The arbitrator may prescribe an appropriate back pay remedy when he finds a violation of this Agreement, provided such remedy is permitted by law and is consistent with the terms of this Agreement, except that he may not make an award which exceeds the Board's authority.

The arbitrator shall have no authority to prescribe a monetary award as a penalty for a violation of this Agreement.

7. The arbitrator shall not have the power to add to, subtract from or modify the provisions of this Agreement and shall confine this decision solely to the interpretation and application of this Agreement. He shall confine himself to the precise issue submitted for arbitration and shall have no authority to determine any other issues not so submitted to him, nor shall he submit observations or declarations of opinions which are not essential in reaching the determination.
8. The costs of the services of the arbitrator shall be borne equally by the Board and the Union. Any other expenses incurred in connection with the arbitration shall be paid by the party incurring the same.
9. The arbitrator shall hold a hearing at a time and place convenient to the parties as expeditiously as possible after his selection and shall issue his decision within thirty (30) days after the close of the hearing.
10. Grievance resolutions or decisions at Steps 1 through 4 shall not constitute a precedent in any arbitration or other proceeding unless a specific agreement to that effect is made by the authorized representatives of both parties. This is not to be construed as limiting the right of either party to introduce relevant evidence, including such grievance resolution, as to the prior conduct of the other party.

For each assigned week of on-call duty, the assigned Social Worker will be entitled to take two compensatory days off which shall be taken during the calendar year except during the month of December and such compensatory days off are subject to seventy-two (72) hours prior written approval of the Social Worker's supervisor. Compensatory days off earned during the calendar month of December can be carried over and taken during the first calendar quarter in the next year with the prior authorization as provided above. 3. After twenty (20) years of continuous service-twenty (20) working days.

(d) Continuous service shall mean employment for the Board without actual interruption due to resignation, retirement or removal. Periods of employment before and after suspension or leave without pay shall be considered continuous service. However, the period of time on a suspension or leave without pay (except for military leave) shall not be included in calculating years of continuous service.

Employees are encouraged to submit written vacation requests to his/her immediate supervisor with as much advance notice as possible. The Board immediate supervisor shall approve or deny the dates and times of vacation requests to be taken by the employee within seven (7) work days of receipt of the request. Normally, no vacation shall be granted unless the written vacation

request was made at least seven (7) work days prior to the commencement of the proposed vacation. In special circumstances, the Board Supervisor will consider permitting an employee to use vacation time on an hourly or on a single day basis without the normal seven (7) days notice, but only upon at least twenty-four (24) hours prior notice at the discretion of the Supervisor, who may approve or disapprove such request, based upon the Board's work needs. The seven (7) day notice requirement shall apply to all vacation scheduled for two or more days. On three occasions only, during a calendar year, an employee may "call-in" one (1) vacation day with the approval of the immediate Supervisor only, or in the event of the absence of the immediate Supervisor, the Director. The Board Supervisor, when evaluating a request for vacation time-off, shall determine how many employees can be off at the same time.

In the event an employee fails to report for work after a vacation request has been denied, such employee shall be deemed to be on unauthorized absence and shall be subject to discipline.

In the event an employee exhausts all vacation leave entitlements and thereafter is absent from work without prior authorization, then such employee shall be subject to discipline.

H. Accrual of Vacation Days - the amount of vacation days as set forth above shall be credited in advance at the beginning of each year, before such days are earned, in anticipation of the employee's continued employment for the full year.

The amount of vacation days as set forth above is earned by the employee on a monthly pro rata basis. In the event the employee's employment with the Board should terminate before the end of the year and more vacation days have been used by the employee than have been earned on a pro rata basis, the per diem rate of pay for each of the excess days shall be deducted from the employee's final pay.

I. **Vacation Transfer**. 2. Sick Leave for purposes herein is defined to mean absence from work of an employee because of personal illness by reasons of which such employee is unable to perform the usual duties of his position, exposure to contagious disease, a short period of necessary attendance upon a member of his immediate family seriously ill and requiring the care of such employee. For the purposes of these rules, "member of immediate family" is interpreted as meaning father, mother, husband, wife, child, foster child, sister, brother or relatives of the employee residing in employees household.

B. Amount of Sick Leave

1. The minimum sick leave with pay shall accrue to any full-time employee on the basis of one (1) working day per month during the remainder of the first calendar year of employment after initial appointment; and fifteen (15) working days in every calendar year thereafter.
2. Any amount of sick leave allowance not used in any calendar year shall accumulate to the employee's credit from year to year, to be used if and when needed for such purpose.

3. Employees may be credited with fifteen (15) working days sick leave at the beginning of the calendar year in anticipation of continued employment for the full calendar year and may be permitted to use sick leave for the reasons defined above. Such sick leave is earned at the rate of one and a quarter (1 1/4) days for each month of actual employment during the calendar year.
4. The employee must reimburse the Board within one (1) year in cases where sick time is credited in advance, taken with pay, but not actually earned by the employee. The Board reserves the right to take appropriate action to recover monies uncollected.

Where an employee is no longer in the employ of the Board, the Board reserves the right to apply all or part of the employee's wages from the employee's last paycheck by way of reimbursement of owed time.

5. Temporary, provisional and permanent part-time employees shall be granted sick leave credit on a proportionate basis in accordance with New Jersey Department of Personnel regulations.

C. Reporting of Absence on Sick Leave.

1. If an employee is absent for reasons that entitle him to sick leave, whether of short or long duration, the employee is required to notify his/her supervisor of the reason for absence prior to the employee's normal starting time on the first day of absence from the office. If the duration of absence exceeds two (2) days, it will be necessary to report on every third day unless the employee's supervisor requires more frequent reporting.
2. Failure to so notify his/her supervisor may be cause of denial of the use of sick leave for that absence and constitute cause for disciplinary action.
3. Absence without notice for five (5) consecutive days shall constitute a resignation not in good standing.
4. Sick Leave for absences in excess of ten continuous working days must be requested by the employee in writing to his/her immediate supervisor. This request must be accompanied by a written and signed statement by a physician setting forth the reason for the sick leave and probable date of return to employment.

D. Verification of Sick Leave.

- (a) An employee who has been absent on sick leave for five (5) or more consecutive working days may be required to submit acceptable medical evidence substantiating the illness.

ARTICLE FOURTEEN

DRUG-FREE WORKPLACE

A drug-free workplace, free from use of non-medically prescribed controlled substances, is vital to the Board, to the safety of our work place, to the productivity of our employees, and to the interests of the general public. For these reasons, the Board has implemented a drug policy and practices oriented toward maintaining a drug-free work environment.

The use, possession, sale or distribution of non-medically prescribed controlled substances on Board premises (including parking lots and recreation areas or in any

Welfare Board work environment) is prohibited. "Work environment" includes situations where an employee is representing the Board whether on a citizen related call or participating in a business meeting off-premises. A violation of this provision of the Board's drug policy is not considered a medical issue and normally results in dismissal from the Board. The Board's drug policy also prohibits employees affected by any medically prescribed controlled substances from Board premises or other work environments. Consideration is given to the safety of any employee asked to leave our premises due to an impairment (e.g. ability to drive, etc.).

The Board reviews employees off-the-job drug-related incidents such as arrests for use, possession, sale or distribution of drugs to make a determination if the incident could result in an adverse or potentially adverse impact to the Board and/or to our employees. The results of the review will determine the appropriate course of action for the Board to take including dismissal, rehabilitation or other actions.

In appropriate circumstances, the Board may require employees suspected of being under the influence of drugs to submit to drug testing. Drug testing will only be required and administered in accordance with the provisions of Federal and State law.

A complete and detailed Drug and Alcohol Free Workplace Policy (the Policy) shall be issued by the Board which is comparable to the Policy presently in effect for employees of the County of Cape May.

In the event the designated covered spouse dies, terminates employment or should the marriage be dissolved by divorce, the non-designated spouse shall once again become covered and the \$1,500.00 payment shall be pro-rated. For purposes of the determination which spouse will be covered and which spouse will be receiving the \$1,500.00 in lieu of coverage payment, the employee who has the first birth date in the year will be designated the policy holder and the employee with the second birth date in the year will receive the opt-out payment.

6. Employees who do not work a minimum of thirty five (35) hours per week shall not be covered by the County's Health Benefit Program set forth above. However, all current employees receiving health benefits with less than the thirty five (35) hour requirement will be "grandfathered" and continue to be covered by the County Health Benefits.
